

SIM monthly meeting
January 22, 2006
Summary Record

Attendees

Name	Organization	e-mail
1. Jouad Tilout	UNMIS	tilout@un.org
2. Achim Ladwig	European Commission	Achim.ladwig@cec.eu.int
3. Joe Crowley	OCHA IMU	Crowley@un.org
4. Sadig Elamin	OCHA IMU	elamins@un.org
5. Amr Kambal	WHO	kambala@SUD.EMRO.WHO.INT
6. Scott Sweet	UNJLC	Scott.sweet@wfp.org
7. CJ Hendrix	UNJLC	chad.hendrix@wfp.org
8. Mazin El Sanousi	Carter Center	Mazin2831@yahoo.com
9. Mohammad Kabir	UNMAS	MohammadR@unops.org

In the meeting the following topics were discussed:

- CJ Hendrix (JLC)** presented the results of the UNJLC Roads Assessment project in the Southern Sudan. The project is still work in progress but roads assessed so far are readily available at SIM website. Kabir (UNMAS) noted that the use of red color in planning maps should be reconsidered, as the color is used for mined roads. Action: Further discussion between Kabir and CJ’s successor.
- Sadig ELamin (OCHA)** presented the new release of the settlements P-codes. The full data sets are now available on SIM website (unsudaig.org/sim) and can be accessed freely.

Next meeting

The next meeting will be announced later
